

In solidarity with the Black community, we join in honoring Juneteenth today. StopHazing is an organization dedicated to violence prevention and to disrupting ways in which abuses of power are normalized. As such, the dismantling of racism and white supremacy and other forms of oppression is integral to enacting our mission to promote “safe school, campus, and organizational climates. . .” As we move forward with critical reflection and action steps to support our words, we share these initial resources as part of our commitment to continue amplifying the work of black scholars studying hazing and hazing prevention:
